## Student Wellness and Success Funds and Disadvantaged Pupil Impact Aid

### Overview:

Legacy receives Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds to fund initiatives to support wraparound services for our students. The following summarizes Legacy's plan for initiatives and programs.

### Describe Use of Plans:

1. Mentoring Programs
2. Behavioral Engagement Activities and Coaches
3. Family Engagement Activities
4. Reading Improvement and Interventions
5. Professional Development
6. Academic Interventions

### Community Partners:

1. Ohio State University
2. See Brilliance
3. National Center for Urban Solutions
4. Job and Family Services
5. Primary Care Solutions

### Reporting:

At the end of each fiscal year, the school will submit a report to the Department describing the Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds initiatives on which funds were spent and how much was spent each fiscal year.

### Impact of Funds:

These funds provide access to essential resources ensuring that all students have an equal opportunity to succeed academically. On the other hand, student wellness funds focus on promoting mental health and well-being among students by funding initiatives such as counseling services, mental health awareness programs, and wellness activities. By investing in these areas, schools can create a supportive environment that nurtures students' overall health and happiness, ultimately enhancing their ability to thrive academically and personally.

### **Data and Evaluation:**

While implementing plans, progress monitoring can be a useful strategy to ensure effectiveness of services. Conducting an evaluation will allow the school to determine if their comprehensive plan was successful in meeting the identified goals and outcomes.

The school, along with our community partners, will analyze student and community data to identify critical needs, gaps or repetitions in services and determine where additional supports are needed.
